ABOUT OUR COMPANY

150+
team members

40+
years in business

1000
happy customers

We are NEW Team but working with manufacturing that has four decades of experience. our Task is to continuously expand our new division line, creating new meaningful innovations in furniture.

Who We are

01. Fairco Furniture was founded by Mr. Bobby Kandiawan in 1980s, specialised in co-maker for EXPORT market, IKEA, Target and H&M's Furniture. Since then evolving to become one of the best fine and high quality wood manufacturing.
02. Established in 2013, Fairco manufactures rattan furniture factory, located in Cirebon with area of 43.020 sqm and building area of 18.081 sqm to support expansion of export market.
03. Annual volume of 10 - 15M USD, Volume capacity of 30 - 50 containers/ month - Now Fairco Group employs more than 150 people and 10 partners/sub-contractors.

Chippendale

04. in, 2014 We develop local Brand and Presence, Rosewood Living with classic and contemporary design that target premium residential.
05. in 2023, Fairco appointed FairCraftz to develop new opportunities in both local and international market.

QUALITY & INNOVATION IS OUR DNA

We hold high standards:

- Social Compliance Audit - IKEA WAY
- Global Security Verification
- SCAN Security Audit
- Quality Mgt Sysmet by IKEA & Target
- Forest Stewardship Council CoC

Our Vision & Mission

01.
